ATHLETIC CHAMPIONSHIPS GIVEN OUT TUESDAY

Five Yellow Ties Awarded

Athletic Day, held yesterday, began with a parade of the alumnae in class colors and costumes, which started from Pembroke Arch at 9.30 and marched to the lower hockey field. After the Varsity-Alumnae basketball game which was won by Varsity with a score of 39-4, E. Cope, '21, president of the Athletic Association, announced the championships and gave out the cups and yellow ties.

Five yellow ties were awarded this year, two of them to new stars. As two of the winners are Seniors, there will be only three on the campus next year. Yellow ties are given for good all-round athletic ability, or exceptional ability in one sport, combined with spirit of good sportmanship. Those receiving ties were: M. M. Carey, '20, B. Weaver, '20, E. Cope, '21, E. Taylor, '21, and A. Nicoll, '22.

1920 won the first team basketball lantern, second team hockey cup, and third team, tennis cup. The Juniors took the first team cups in hockey, water polo, and the shield for first team apparatus. The second team, cups for water polo, and tennis, and the third team, cups for hockey and water polo. The cup for the swimming meet also went to 1921, and the cups for individual swimming champion, K. Woodward, and individual apparatus champion, E. Cecil. 1922 received the third team basketball cup. 1923 was awarded cups for first team tennis, and second team basketball. H. Rice, '23, was given the tennis cup for individual championship.

ANNOUNCE ENGAGEMENT OF ACTING-PRESIDENT TAFT

Will Be Married In July

Acting-President Taft has announced her engagement to Mr. Frederick Manning, Instructor in History at Yale. The wedding will take place at Murray Bay, ex-President Taft's summer home some time in July.

At a recent meeting of the Faculty the following motion of thanks was passed: "On motion it was voted: The Faculty of Bryn Mawr College hereby express their recognition of the services which Acting-President Helen Herron Taft has rendered to the college at a critical period of its history, and record their appreciation of the spirit of co-operation which she has unfailingly shown in her relations with them."—Extract from the Minutes of May 27, 1920.

Alumnae Hold Reunion Suppers

"Twenty Years After" is the badge worn by the Class of 1900, which has come back thirty-six strong for their reunion. The Class Supper was held in Rockefeller. Edna Fischel Gellhorn was toastmistress.

Mrs. Louise Congdon Francis, the President of the Alumnae Association, is a member of the class.

The Class Baby, the daughter of M. Frank Rosenau, is taking her entrance examinations this spring.

Red streamers on their class tree announced the reunion of 1905. Thirty-two were present at the Class Supper in Denbigh on Monday. Carla Denison Swan was the toastmistress.

Dean Smith was toastmistress at the 1910 Class Supper in Denbigh last Saturday, and kept the class amused with extracts from her college diary: "Wore yellow stockings"

DR. PAUL SHOREY TO MAKE COMMENCEMENT ADDRESS

Five Ph. D.'s Will Be Conferred

"The Things That Are More Excellent" will be the subject of the commencement address, given by Dr. Paul Shorey, Professor of Greek at the University of Chicago. He has been head of his department at Chicago since 1898.

Dr. Shorey was President of the American Philology Association in 1910, and an Associate Director of the American School of Classical Studies at Athens, 1901-2. Since 1908 he has been managing editor of *Classical Philology*. He was Professor of Greek at Bryn Mawr, 1905-02.

Among the books Dr. Shorey has published is "The Assault on Humanism," a plea for the classical education. He has recently published articles in the *Atlantic Monthly* upholding the study of Greek and Latin in schools and colleges, and is the great opponent of Dr. Simon Flexner, who would abolish all compulsory study of the humanities.

The Commencement exercises will open at eleven, as soon as the academic procession has entered the gymnasium. Introductory remarks by Acting-President Taft will precede the conferring of degrees, the awarding of scholarships, fellowships and prizes. Dr. Barton, the college chaplain, will lead the prayer.

Five graduate students are candidates for the degree of doctor of philosophy, Louise Adams, Beatrice Allard, Agnes Byrnes, Gwendolyn Hughes and Bird Turner.

Marie Litzinger, of Bedford, Pa., is European Fellow for 1920-21, with the grade of 89.9203, the highest average in the Senior Class. B. Weaver is the winner of the Mary Helen Richie "Sunny Jim" prize awarded, to a Senior, preferred.

ROCKFELLER FOUNDATION GIVE ENDOWMENT \$500,000

Class Total of \$1,865,920

The Rockefeller Foundation gave \$500,000 to the Endowment Fund last Saturday, with the reservation that \$1,500,000 be raised by the Executive Committee. This gift brought the national total to \$1,865,920 on Tuesday. District ten and four are already over the top.

For the Rhoads Chair, \$22,491.50 has been raised; the Elizabeth Fry Chair \$13,106.00; for the Scattergood Memorial, \$50,000.00; for the Juliet Baldwin Memorial, \$30,000.00; for the Marian Goodhart Memorial, \$200,000.00; for the Penn Foundation, \$158,000.00; and for the Victory Chair, \$11,000.00.

Every sign points the way to a whirlwind winding up of the campaign on Commencement Day. Anticipating the success of the drive, the Alumnae Association last week sent a request to the board of trustees of the college asking them to raise the salaries of the faculty beginning next autumn.

Shibley School has raised \$9539 for the Endowment, not counting receipts from the sale of buttons, which have not come in. A lawn fete on Saturday, May 22, yielded \$1200 of the amount, and sale of May Day tickets \$1923. Three hundred and ninety dollars is pledged to the William Penn Chair.

Notice to Subscribers

The News Board regrets that owing to a further increase in the cost of printing for next year, making a total increase since June, 1918, of one hundred per cent, it has been obliged to raise the subscription price from two to three dollars for 1920-21.

Acting-President Taft

When President Thomas sailed last Spring, she left behind her great anxiety about the future of Bryn Mawr during the next few years. College had to be brought back from war-time excitement to a steady routine. The Endowment Drive upon which depended the maintenance of Bryn Mawr's standard—in fact almost its very existence—was about to be launched.

Dean Taft, with but two years' experience of executive work, was called to fill President Thomas' place. Even in ordinary years the work of a substitute is difficult, but in 1919-20 it entailed additional care. So well has she accomplished her purpose that the college year has run smoothly and the academic work upheld in spite of the distractions of May Day. The Endowment Campaign has reached its goal and the possibility of a third million is under discussion. Had it not been for the personality of Acting President Taft, who toured the country and spoke in all quarters, everywhere winning contributors to her cause, the campaign might have been prolonged for years.

To Acting-President Taft, who with untiring energy and ceaseless effort has consistently devoted her time to its interests, Bryn Mawr College owes its deepest gratitude.

1920

As Seniors, 1920 made up their minds to kill the dragon. "It has never been done before," and their success in this line has been phenomenal. Beginning academically, they finished up the orals in three trials, and then flung themselves into the effort to give the best May Day that Bryn Mawr had ever produced. This attempt being highly successful, they turned to other fields and established two new precedents—hockey and baseball with the faculty, and dancing with men at Commencement. The constitutions of three associations bear the mark of their progressive ideas, and the College Council stands as a memorial of their attempt to bring the faculty and students into a closer understanding than they have had in the past.

Athletic stars they may not have been, but worthy foes they were always, combining unyielding determination with a spirit of good sportsmanship on victory or defeat. In spite of having lost many of their best athletes, they have won out in the end, and the light blue banner now hangs on the gym—a tangible symbol of their dauntless perseverance.

Dr. Barton preached at the Wheaton College Sunday service on May 23.

APPOINTMENT BUREAU OFFERS SUMMER AND WINTER JOBS

Range From Teachers in China to New York Office Boys

A high school in Shanghai, China, has applied to the appointment bureau for a science teacher. Other school positions are available, including one as the head of the science department in a western school. School administrators are especially needed.

The bureau has calls for settlement and social workers, mothers' helpers and summer tutors. "Since these positions will not be open long, they must be applied for at once," the office says. The latest call for service has come from an alumna for an office boy in a New York law office.

CONFERENCE TO DISCUSS C. A. PLANS AND POLICIES

A conference to discuss the policies of the Christian Association and plans for the year is scheduled by the Board for September 24-26. It is hoped that Mr. Rufus Jones, Advisory member of the Board; Grace Hutchins, '07; Miss Applebee, Millicent Cary, '20, and Elizabeth Biddle, '19, will be present. It is as yet undecided whether the conference will be in Bryn Mawr or at Whitford College.

Although primarily for members of the Board and Cabinet of the Christian Association, the officers of the association hope that other members of the college will also be present. Anyone really interested in any branch of the work of the Christian Association should have something to contribute to this conference," said one of the officers. "The Association needs the stimulus of ideas of people outside of Cabinet as well as of Cabinet members."

to basketball, had fouls for moving both feet, and was told that I looked and acted like a centipede."

At a class meeting the class voted to add another \$25,000 to their tenth reunion gift, which is in memory of the ten members of their class who have died. At the end of a speech by the class president, urging everyone in the class to give all she could, the class baby, Antoinette Hearne Brown, piped, "I have a dollar; I'll give it."

1919's first reunion was small, as most of the class had been back for May Day. The class supper was held in Merion. Eleanor Marquand was toastmistress. The speakers were M. Watriss, M. Ramsay, M. Tyler, F. Howell. 1919's total, \$27,076.00, raised for the Endowment Fund, was announced.

Endowment Notes

Miss Gertrude Ely spoke at an Endowment tea given by the Bryn Mawr Club in Pittsburgh on May 16.

Eleanor Donnelly, '21, raised \$10.00 for the Endowment by managing "Gypsy Jazz," an impromptu dance on the Merion green, with a hurdy-gurdy as orchestra. Five cents a dance was charged.

Nine dollars and twenty cents in pennies was collected from Pembroke West for the Endowment by A. Frazer, '23.

DR. COFFIN AND MR. ROBINS TO BE AMONG SILVER BAY LEADERS

The Rev. Henry Sloan Coffin, D. D., of New York, a regular speaker at Bryn Mawr, will give a series of addresses on "Our Common Faith" at the Silver Bay Conference this year, held from June 15th-25th at Lake George, New York.

One of the leaders is Mr. Raymond Robins, of Chicago, who has recently been in Russia. Mr. Robins is the husband of Mrs. Robins, who spoke at Bryn Mawr in November on "Trade Unions" under the auspices of the World Citizenship Committee. Miss Henrietta Roelofs, who spoke at Vespers in March, is Executive of the Conference.

The Bryn Mawr Delegation has chosen E. Cecil, '21, as song leader and A. Nicoll, '22, as recreation leader.

ADDITIONAL FACULTY OFFICE HOURS HAVE BEEN CREATED

Special Appointments Made Through Dean's Office

Recommendations making it possible for the faculty to hold a more flexible series of office hours, for student consultations, were passed at a recent faculty meeting, as a result of the discussion on the matter brought up in college council.

More office hours will be held than formerly, especially in the afternoons, and during registration periods, so that students may have advice in planning and regulating their courses. Those unable to go to regular office hours may make special appointments through the Dean's office.

BATES HOUSE GETS THIRTY-THREE SUMMER WORKERS

With thirty-three workers promised for periods of from one week to two months, Bates House, at Long Branch, New Jersey, will open on June 3, for its ninth season. M. Flannery, a graduate student, will be the assistant to the head.

Students who plan to go, are W. Worcester, '21, (Chairman of Bates Committee); 1920, E. Luetkemeyer, L. Sloan, 1921, L. Beckwith, B. Kellogg, M. P. Kirkland, E. Collins, E. Shoemaker, M. Taylor 1922; E. Brown, E. Pharo, O. Howard, C. Baird, V. Grace, B. Clarke. 1923; R. Raley, F. Child, H. Rice, V. Brokaw, D. Stewart, E. Mathews, E. Vincent, E. Gray, I. Lemon, A. Howell, B. Worcester, J. Ward, I. Gates, H. Dunbar, S. Archibald, G. Carson. Other workers may apply to the Head of Bates House, 112 Bath Avenue, Long Branch, New Jersey.

"Christ, the Ideal Friend," Subject of Vespers Talk by C. Bickley

"How can we obtain our ideal of friendship with Christ?" was the question that C. Bickley, '21, President of the Christian Association, asked in Vespers last Sunday.

Miss Bickley went on to say that only at College do we learn the true meaning of friendship. "A friend is some one who has some quality which you admire intensely," she said, "and you come to know her character and thoughts through talking with her or reading her letters." "I leave it with you as the challenge," she concluded, "to take Christ with you in everything you do this summer. Speak with Him and read His writings as you would the letters of any friend."

Pembroke West Wins Fire Award

Under the captaincy of Z. Boynton, '20, Pembroke West won the Fire drill competition with a score of 86.4 points. The marking was based on excellence of dress, order, time, and the drills were judged by Miss Watson, business manager of the college, Mr. Chandler, superintendent of buildings, and C. Bickley, college fire captain. The prize is ten dollars. Last year it was won by Denbigh Hall.

1920 Tree a Blue Linden

Following the tradition by which each class plants a tree or shrub some time during the spring of their Senior year, 1920 has planted a Blue Linden. The tree stands near the northwest corner of the Library.

The class trees are always planted secretly, after the hall-doors are closed for the night.

gave a Bryn Mawr dinner in her honor to the College Faculty.

The next day President Thomas inspected the college, made an expedition to see the Dog River inscriptions, and attended a reception to meet the native and American teachers. The last day was spent in visiting and speaking at mission schools.

Alumnae Notes

Isabel Foster, '15, who has been in charge of the Publicity for the Endowment Fund campaign, has been appointed as a Feature Editor on the Christian Science Monitor.

Helen Harris, '17, wrote and staged the pageant which featured the annual carnival of the College Settlement Association of Philadelphia last Saturday. Mayor Moore and his staff and members of City Council reviewed the pageant, in which more than 1500 children took part.

Edna Fischel Gellhorn (Mrs. George Gellhorn), '00, chairman of the Sixth Region of the National League of Women Voters, will preside at the Regional Conference at Omaha, Nebraska, on June 14 and 15, and will discuss plans of state legislation now being approved by the board of directors for the National League.

DRS. SMITH AND MISS KING RETURN

Four Professors Leave Next Year

After a sabbatical year of travel in India and England, Dr. William Roy Smith, Professor of History, and Dr. Marion Parris Smith, Professor of Economics, will return to Bryn Mawr next fall and will give their regular courses.

Professor Georgiana Goddard King, Professor of History of Art, who has been traveling with President Thomas, will also resume her classes.

Dr. Derry, Instructor in Political Economy, is leaving Bryn Mawr to accept an appointment as Professor of Political Economy at Union College, Schenectady, New York. Dr. Brooks, Associate Professor in Physiology and Bio-Chemistry, Dr. Bye, Instructor in History of Art, and Dr. Ware, Instructor in History, are leaving, but have not officially announced their plans for next year.

Dr. Wilmer C. Wright will take her Sabbatical year next year. She has been appointed a member of the managing committee of the American Classical School at Athens.

Seniors Give Up Steps Tonight

1920 will give up the Senior Steps to 1921 tonight after the concert in the Cloisters by the Russian Balalaika Orchestra.

The ceremony will begin with the presentation of the Junior Loving Cup by M. M. Carey, president of the Senior class, to K. Gardner, Sophomore preadent, and the presentation of the Alumnae-Varsity Tennis Cup to the winner of the Tuesday tournament. After the singing of class songs by the "reuning" classes and the Sophomores, the Seniors will leave the steps, singing their class song, and the Juniors will take their place.

"LIGHT BLUE IN TRIUMPH FLASH" FROM GYMNASIUM

Wins Basketball Championship by Defeating 1922, 37-19

Defeating 1922 in the third game of the series by a score of 37-19 the Seniors carried their banner to victory, winning the first team basketball championship last Thursday.

The light blue was slightly disorganized in the first half but rallied at the end under the spur of M. L. Mall's ceaseless activity.

After long dribbles down the side line, she broke the see-sawing score by dropping in several baskets in quick succession. M. M. Carey, '20, covered A. Nicoll's dodges with tireless determination, and held her down to only four goals.

Reaching a climax in the second half when K. Townsend, '20, knocked in a goal from a toss-up under the basket, 1920 swept the Sophomores off their feet and added 16 more points to their advantage. F. Bliss, '23, covered every part of the field in a running offensive and defensive game, but was unable to cope with K. Townsend's superior height and true aim under the basket.

1920—M. L. Mall, 6; Z. Boynton, 4; K. Townsend, 6; M. M. Carey, B. Weaver.

1920—A. Nicoll, 4; O. Howard, 1; F. Bliss, 3; P. Smith, B. Clark.

Goals from fouls—1920: Mall 2 out of 2; Townsend 1 out of 2.

1922: Nicoll 3 out of 3.

By putting their banner on the gymnasium, 1920 broke the light blue hoodoo, which has held for eight years. Only three light blue banners have ever been on the gym, 1908 and 1913 for hockey, and 1908 for basketball, all in their Senior year.

Sporting Notes

The Sophomores and Freshmen divided the lower basket-ball team victories, 1922 winning the third and fifth teams; while 1923 came out ahead on second and fourth.

Four new athletic cups were presented yesterday for second and third team Tennis and Water Polo championships.

The schedule for sports next winter has been changed. Water Polo practices will begin immediately after Hockey, the match games coming after mid-years. The apparatus meets will take place the first two weeks in March and the swimming meets the last two.

The Varsity water-polo team is: B. Weaver, '20, (captain); H. Holmes, '20; E. Anderson, '23; E. Cope, '21; M. Ballou, '20; W. Worcester, '21; K. Townsend, '20. Substitutes: K. Woodward '21; A. Nicholl, '22; O. Howard, '22.

DRS. FERREE AND RAND READ TWO PAPERS AT HOT SPRINGS

Dr. Ferree and Dr. Rand will present two papers at the 56th annual convention of the American Ophthalmological Society to be held at Hot Springs, Va., on June 15th, and 16th, entitled "An Illuminated Perimeter with Campimeter Features" and "The Factors which Influence the Determination of the Color Sensitivity of the Peripheral Retina."

Dr. Ferree is a member of the committee appointed by the Society to work out a better standardization of the practice of perimetry in office and clinic work. The recommendations made by Dr. Ferree and Dr. Rand have been accepted by the Committee and will constitute in large part the official report which will be made by it to the Society at the meeting at Hot Springs.

One of the features of these recommendations is a new type of perimeter, devised by Dr. Ferree and Dr. Rand, which combines the essential features both of the perimeter and campimeter and provides a precise control of the more important variable factors which have hitherto rendered the work in the pathology of the field of vision unsatisfactory.

PUBLICITY PHOTOGRAPHS GIVEN TO TROPHY CLUB

Club Elects Officers for 1920-21

The photograph albums containing pictures of May Day and other college activities, which have been taken this year to use for the Endowment Fund publicity, have been given to the Trophy Club by the Endowment and May Day Committees. A special bookcase for them will be put up in the Pembroke East Trophy Room.

The pictures in Pembroke have been rearranged and now contain photographs of President Thomas and Acting-President Taft, and the last athletic picture. In order to keep the records in the gymnasium up to date, the Trophy Club is planning to share the expenses with the Athletic Association.

Alumnae since 1913 who would like to have name plates put up in their old rooms are asked to sign their names on slips which will be posted on the hall bulletin boards.

The results of the elections for 1920-21 are:

Helen James, '21, President.

Frances Howard, '21, Vice-president and Treasurer.

Phoebe Norcross, '22, Secretary.

Dorothy Meserve, '23, Keeper of the Archives.

JUNIORS TAKE FIRST AND BOOBY PRIZES IN STRENGTH TESTS

Results of the Spring physical examinations show that K. Woodward, '21, and D. Lubin, '21, have superseded R. Neel, '22, as the strongest undergraduate in college. They tie for first honors with a score of 503 points, while R. Neel's score in the fifth place is 473. Second place goes to H. Jennings, '22, and third to B. Weaver, '20.

Varsity Second Wins Four Matches

Philadelphia Cricket Club, second team, was defeated by the second-varsity Tennis Team, last Tuesday, in four out of the five matches of even, unspectacular playing.

In a close game H. James, '21, was beaten by Miss Wood of Philadelphia, whose superior playing and endurance brought the score to 6-6, 11-9. E. Bright, '23, defeated Miss Strubing in a fast game, 6-0, 6-3. The remaining three games went to Bryn Mawr. E. Cope, '21, by her steadiness won from Miss Porcher 6-4, 6-0. R. McAneny, '23, defeated Miss Valentine in an easy game, 6-0, 6-2, and C. Goddard defeated Miss Read, 6-1, 6-4.

FACULTY BASEBALL TEAM TRIUMPHS OVER VARSITY

The local diamond witnessed a novel contest last Saturday afternoon when a faculty baseball team defeated the undergraduates 16-13. The Varsity team led until the last inning when a run by L. Sloan, '20, playing for the faculty, tied the score. With the bases full Dr. Fenwick hit a long fly to left field, sending in Miss Williams, Miss Swindler, and Dr. Crenshaw. He stole home on a muffed ball, making the final score 16-13.

The faculty twirler was up in the air in the first two innings, walking several players. At the end he took a bracer, and held the Varsity to no score in the sixth. M. Brown, '20, pitching for Varsity, was below her usual form, and allowed hits at will, except in the fourth, where she passed only a single. The Varsity fielding was superior to the faculty, H. Rice, '23, catching several flies.

Faculty—Dr. Crenshaw, pitcher; Dr. Brunel, catcher; Dr. Fenwick, first base; Dr. Tennent, second base; Miss Williams, short stop; B. Savage, center field; Miss Fernald, left field; Miss Swindler, right field.

Varsity—M. Brown, '20, M. Carey, '20, M. MacFarran, '23, H. Rice, '23, K. Townsend, '20, M. Barker, '23, H. Guthrie, '23, B. Weaver, '20, P. Smith, '22.

WASHINGTON UNIVERSITY OF ST. LOUIS

Department of Nursing

Connected with the Barnes Hospital, St. Louis Children's Hospital and the Washington University Dispensary.

The University offers in a three-year course, experience in every branch of hospital service.

Theoretical instruction is given in the Washington University Medical School and in the class-rooms of the Training School. Clinical instruction in the hospital wards.

Special arrangements can be made to prepare those who expect to do Public Health and Social Service work after graduation.

Six months credit is offered to pupils holding a degree from this college.

Classes are organized for the fall, winter and spring terms.

THREE FOREIGN SCHOLARS NOMINATED TO DIRECTORS**One Spanish and Two British Students Are Possible Scholars**

Two British Scholars, Charlotte Churchill and Theresa Kathleen Kelly, and one Spanish scholar, Maria Louisa Dorado Montero, were nominated to the Board of Directors at a meeting of the committee on foreign scholarships, held a week ago.

Miss Churchill received her baccalaureate at the Sorbonne in 1911, and will do work here for the Oxford B. Litt degree. She did important war work under the Duchesse de Vendome, and was secretary to the French Committee of the Red Cross.

For the first time a scholarship will be given to an Irish student. Miss Kelly was educated at the National University of Ireland. During the war she was examiner of income tax claims in the Inland Revenue Branch of the Custom House at Dublin. She is a sister-in-law of Mrs. Joyce Broderick, long a member of the British Embassy at Washington.

Miss Montero, the Spanish scholar, has a brilliant record with many honor prizes," said Dean Maddison. Especial interest is shown in the Spanish scholarships in Spain, because of President Thomas' efforts, during her visit there, for the formation of a committee to select scholars. The committee has undertaken to raise travelling money for the students selected.

REV. STUART L. TYSON TO LEAD BIBLE CLASSES NEXT YEAR**Dr. Coffin May Conduct Conference**

Bible classes beginning in October, under the leadership of Rev. Stuart L. Tyson, of Princeton, have been arranged by the Religious Meetings Committee. Mr. Tyson will speak here on one Sunday and three Wednesdays. His subject is as yet undecided.

Dr. Henry Sloan Coffin, of the Madison Avenue Presbyterian Church, New York, has been asked to conduct the week-end conference, but has not yet accepted.

The Denominational Committee has been made a sub-committee of the Religious Meetings Committee instead of the Membership Committee. M. Willcox, '22, has been elected chairman for next year.

Fund Raised for French Relief Work

Forty-four dollars, according to Miss Schenck, have been received from faculty and students for the fund for Monsieur and Madame Cons to be used for relief work in devastated France this summer. Miss Schenck will be glad to receive and forward any contributions until the close of college.

Sealers Receive Faculty on Gym. Roof

In a Fairyland lit by softly glowing Japanese lanterns and hung with garlands of flowers the Seniors received the Faculty last Saturday night. So successful was the dancing of the two performers, H. Ziniser and Z. Boynton, that they had to repeat their dance later in the evening. Refreshments were served and the seniors sang several of their songs.

DR. BRUNEL TAKES COLORED PICTURES BY LUMIERE PROCESS

The colored pictures of May Day, which are posted in Taylor, were taken by Dr. Brunel, Professor of Chemistry, by the Lumiere method.

The color is due to dyed starch grains which cover the plate entirely but do not overlap. The starch grains are of three colors, blue, yellowish-red and yellowish-green, and in the process of developing and printing, all except the right ones are hidden. This process may be used on any plate camera.

C. A. HANDBOOK TO CONTAIN MANY NEW FEATURES**Supplement for New Graduate Students to Be Included**

Bound in 1924's class color, light blue, with the college seal in gold, the 1920-21 Freshman Hand-book, prepared by the Membership Committee of the C. H., which will contain many new features and give information useful to both Freshmen and other students, appears for the first time.

A section on Parade Night and the activities which lead up to it aims to inform the newly arrived Freshman "what it is all about." A resume of Sophomore Rules is given. Several pages are devoted to college songs and the etiquette to be observed in singing on several occasions. A section on college dramatics will include rules for the use of gymnasium, arranging with the various offices etc.

Schedules of the office hours of the President and the Deans of the College and of the Secretary and the Business Manager, with the specific functions of each office, will be included.

Freshman teas will be held again during the opening days of college for the Freshmen and new Graduate students and their parents and friends. Members of the Membership Committee will meet the Freshmen at the trains.

Oxford Club Plans British-American Friendship Movement**IN MEMBERSHIP OF 200 ONE THIRD IS AMERICAN**

The Oxford University British-American Club was formed last year by Oxford undergraduates, to promote a mutual understanding between the British and American peoples. The presence in Oxford of students from every part of the world is considered to afford a wide scope for such an international friendship movement.

Planning to hold meetings for the discussion of British-American matters at which prominent British and American public men will speak, the club will establish connections with universities in other nations through similar groups; take suitable periodicals from the nations in question, and form a library of books from the United States, Canada, Australasia and South Africa, particularly on political, social and economic subjects.

J. W. Davis, American Ambassador to Great Britain, and the Earl of Reading late Ambassador to the United States have already addressed the club. Its membership numbers 200 undergraduates from the United Kingdom, the Overseas Dominions, and the United States in about equal proportion.

Two similar clubs have been formed in the United States, at the Universities of Cornell and Wisconsin.

DR. MERRILL URGES IDEALISM

Baccalaureate Sermon on Faith

"What makes the world move on is not the mass of things that are, but the mystic glory of the things that are not," said Dr. William Merrill, pastor of the Brick Presbyterian Church, who preached the Baccalaureate sermon last Sunday.

"The masters of men and of history," he continued, "have ever been the men that walked by faith, not by sight, who could see and make others see the things that are not. Ideals are the masters of things. Things, however massive, lie inert where they are put. And the most potent force to move them, to combine them anew to form a better world, is an ideal of something not yet existing, something which is not, but may be."

At present "Things are in the saddle and ride mankind. We have been thrown," said Dr. Merrill, "into a world of new powers, new problems, new dangers, new possibilities. The only promise of this new world lies in men and women, through whose faith in the things that are not, kindling a like faith in other men and women, the mastery of the things that are shall come to naught."

REVIEW BOARD WILL ISSUE TWO PUBLICATIONS

Sheet of Humorous Work to Appear Semi-Monthly

A quarterly for the strictly literary contributions of both Alumnae and students and a "funny sheet" appearing twice a month will be published by the Review Board in place of the monthly publication which has been issued this year. The names for these magazines have not yet been chosen.

In soliciting contributions from Alumnae as well as from Undergraduates, the quarterly will fill the place of both the Lantern, which was discontinued this year, and the Review. During the past year the Review, departing from the strictly literary standards of its forerunner, Typn O'Bob, has aimed to publish both the serious and humorous attempts of its contributors.

French Club Elects Officers

At a small, spirited meeting of the French Club the election of officers for next year took place. E. Harris '21, was made president, C. Cameron, '23, vice president, and E. Vincent, '23, secretary.

NEWS IN BRIEF

Dean Smith was toast-mistress at 1910's class supper on Saturday night.

Professor Lucy Martin Donnelly expects to join President Thomas in Italy and motor with her through Switzerland. She sailed last Thursday.

Dr. Schenck sails Saturday for France, where she expects to do educational work in the devastated regions this summer.

Lantern slides of all college activities including May Day were shown on Monday afternoon in Taylor Hall. These slides, were made from pictures taken by the Publicity Department of the Endowment Committee.

Dr. David Moore Robinson, formerly instructor of classical archeology and Greek literature at Bryn Mawr, has been appointed to the new chair of archeology at Johns Hopkins University. This is only the second endowed professorship in the history of Hopkins.

Beginning next year, members of the Christian Association will be required to renew their pledges each year that they are in college.

One hundred and fifty-sub-Freshmen are taking examinations at the college this year.

Athletic Championships Given Out Tuesday
(Continued from Page 1)

sat with the Athletic board while the awards were presented, were: Carla Denison, '03, (Mrs. Henry Swan), Elsa Denison, '10, (Mrs. Dayton Voorhees), and Polly Branson, '16.

COLORS SHOW ACADEMIC RANK

Gown Varies According to Degree

The hoods of the academic costumes indicate the universities that have conferred the degree, if American; the faculty in which the degree is taken, if continental. Blue is for the degree of Doctor of Philosophy, green for Doctor of Medicine, purple for Doctor of Laws, and scarlet for Doctor of Theology. The chevron crossing the hood contains the colors of the country in which the university conferring the degree is situated. Red, white and black signify the German Empire, white and green, the Kingdom of Saxony, red and white, Switzerland.

Harvard hoods are lined with crimson, Princeton, with orange and black, Johns Hopkins with old gold and black. The Doctor of Science of the University of London wears a crimson gown and a yellow hood.

The Doctor's gown is the only one made of silk. The bands of velvet down the front and on the sleeves are either black or the color of the faculty in which the degree is taken. The Master's gown has a long closed sleeve, with a slit in the upper part for the arm, and the Bachelor's gown a long pointed sleeve.

The Bryn Mawr undergraduates since the founding of the college, have always worn a gown with a short open sleeve like that of the Oxford Scholar's. Hoods lined with yellow crossed by a white chevron indicate degrees conferred at Bryn Mawr.

MODEL SCHOOL GIVES PLAY

New "Pagoda Sketches" Issued

"The Fall of Troy," from the Aeneid, was presented by the Phebe Anna Thorne Model School on Wednesday, May 19th. As the Commencement Play of the first class to graduate, it was given in the new outdoor theatre, donated by President Thomas. A dramatization of the second book of the Aeneid by members of the class, it includes a song written and composed by Priscilla Fansler and Mary Ross.

Coached by Miss Castro and with only ten days of rehearsing, the performance went smoothly, perfectly carried out in every detail of enunciation, acting and costuming. Under the direction of Miss Merritt, the art teacher, all the costumes were designed and made by the pupils themselves: those of Aeneas, Sinon, and Helen of Troy were particularly effective.

Three of the four pupils in the graduating class, all in the cast, are coming to college in the fall—Pamela Coyne, who gave a spirited rendering of the part of Aeneas, Priscilla Fansler, who executed a double role, as Venus, and later Anchises, and Elizabeth Tuttle, who was Coroebus, the handsome and passionate lover of Cassandra. Among the other characters, the acting of Ruth Turner as Sinon, the treacherous Greek, and of Gladys Leuba as Panthus, deserve especial mention.

In this issue of "Pagoda Sketches," the yearly school magazine, is the full text of the play, which Miss Swindler praises as being "well adapted" from the Latin.

LABRADOR CLAIMS M. FOOTE AND M. KENNARD FOR SUMMER

Others Tutors and Councillors

Marynia Foot, '21, and M. Kennard, '23, hold summer positions as volunteer workers in Labrador, with Dr. Grenfell's mission. Stationed in different villages, with wholly native populations, they will act in various capacities, school teacher, doctor, and minister.

Among the students who will be camp councillors are L. Reinhardt, '21; A. Taylor, '21; J. Peyton, '21, and E. Anderson, '22. M. Porritt, '20, will travel abroad as tutor; H. I. Murray, '21, and C. Cameron, '22, also have tutoring jobs. A. Woodruff, '23, is to be governess to two children.
